

Customer Collection & Yard Operative

Due to continued growth, we have an opportunity to join the Mill & Warehouse team of a leading family-owned manufacturer of high quality animal feed, delivering to trade and farm customers throughout the Southwest.

This is a hands-on role combining customer service, yard operations, and warehouse support, playing a key part in the smooth and safe running of the site.

What you'll be doing

- Serving customers collecting feed in a professional, friendly, and efficient manner
- Loading customer vehicles safely with feed products, including big bags
- Maintaining a clean, tidy, and well-organised yard and collection area
- Supporting the safe loading of HGV curtain-sided vehicles
- Acting as a banksman to guide vehicle movements safely around site
- Assisting with warehouse duties including picking, palletising, and stock organisation
- Carrying out general yard duties such as sweeping, waste management, and pallet repairs
- Operating forklifts (once trained) and carrying out daily equipment checks
- Working in line with Health & Safety, feed safety, and company procedures at all times

What we are offering

- 40 hours per week, Monday to Friday (9:00am – 5:30pm)
- Overtime available, including weekends and bank holidays during busy periods
- Training provided, including forklift and banksman training
- Standard holiday entitlement, increasing with length of service
- Health care scheme (including cashback on dental/medical/physio and Employee Assistance Programme)
- Discretionary occupational sick pay
- A varied, active role within a supportive and hardworking team

What we're looking for

- Strong communication and customer service skills
- Ability to work both independently and as part of a team
- Good attention to detail and ability to follow instructions
- Physically fit and comfortable with manual handling
- A proactive and reliable approach to work
- Ability to work safely under pressure and maintain high standards
- Experience in a yard, warehouse, or production environment (desirable)
- Agricultural or feed industry experience (desirable)

Why join us?

You'll be part of a busy and supportive production team, working in a role that combines customer interaction with practical, hands-on work. This is a great opportunity to develop new skills and build a long-term career within a well-established and growing business.
