

## HGV (Cat C/C+E) Bulk Driver

***Due to an expanding team, we have an opportunity to join the transport team of a leading family-owned manufacturer of high quality animal feed delivering to trade and farm customers throughout the South West.***

### **What we are offering:**

- Deliveries predominantly to Southwest region
- 45-hour week over 5 days, Monday to Friday
- Regular Overtime expected – especially during busy periods
- Overtime includes working alternate Saturdays (up to 6 hours) throughout busy periods (great overtime rates of pay)
- Cover for driving tanker & artic when required (if Class C+E)
- Cover for loading lorries when required
- Paid training and time for CPC refresher and driving licence medical fee
- Standard holiday entitlement - with further days accrued with Length of Service
- Health care scheme (providing refunds on dental/medical/physio etc, as well as confidential Employee Assistance Programme to support with health, welfare, financial and legal advice)
- Discretionary occupational sick pay
- Well maintained and updated fleet

### **Key responsibilities include:**

- Deliver products safely and efficiently to customer sites, ensuring correct placement of loads
- Drive responsibly at all times, complying with road traffic laws and transport regulations
- Carry out daily vehicle inspections and keep the lorry clean and roadworthy
- Complete delivery documentation accurately and deal with customers in a professional manner
- Contribute to smooth operations by working efficiently and reducing damage or product loss
- Demonstrate a high level of attention to detail with a strong commitment to Health & Safety standards

***We pride ourselves on our key values of Quality, Service and Value and our staff on delivering these values at every opportunity.***

### **What we are looking for in our drivers:**

- A valid Class 1 (C+E) or Class 2 (C) licence
- Driver CPC and digital tachograph card
- Good communication and customer service skills
- Ability to work safely under pressure and good time management skills
- Compliance for road transport legislation and best practice H&S
- Willing to work additional/flexible hours to support business/team
- Physically fit
- Experience in Agriculture / Feed Delivery an advantage
